Increasingly, The Traditional Study of Angels is being discussed as a philosophy for spiritual autonomy that will mark the decades to come. Distinguishing itself from books that merely pass through one's life, The Book of Angels, The Hidden Secrets, Dreams - Signs - Meditation by Kaya and Christiane Muller, transports us to the heart of the application of spiritual life and allows us to discover that Angels, usually represented as little children with wings, are in reality Fields of ...

The story of the archangels is one of heroism and drama, and the world they represent is unlike any you know. The Book of Angels shines a light on little-known facts of angel lore that have been hidden away for centuries in forgotten books and histories kept from wide circulation. Boldly illustrated with Ruth Thompson's stunning full-color artwork, this book shows you details of angel history and heraldry that have never been so vividly rendered, and that you cannot glean from traditional ...
