individual patient outside of the process described above. This is called an individual funding request (or IFR). Individual funding requests for specialised services • a guide for patients

Individual funding requests for specialised services • a

• appoint a Patient Online champion or super-user within the practice (e.g. a patient participation group member, member of staff or volunteer to help patients register for online services when they visit the practice.
• include patient information leaflets and online registration forms in

Patient Online Support and Resources Guide - NHS England

The NJR knows that it is important for patients to receive good quality information about joint replacement surgery. That's why the NJR produces a Public and Patient Guide to its main Annual Report for each of the joint replacements recorded on the register every year. The guides share the information and evidence the registry holds, including details of more than 2 million operations carried out since 2003.

Public and patient guide to the NJR Annual - NJR Reports

If you are having a general anaesthetic or sedation, please arrange for a friend or family member to accompany you home, and to stay with you for 24 hours after your procedure.
