Achieving Universal Primary Education. Since 1999, there has been great progress towards achieving universal primary enrollment due in large part to a pursuit of the Millennium Development Goals (MDGs) and the Education for All (EFA) The number of primary school age out-of-school children dropped by 42% between 2000 and 2012, despite ...

### **Universal Primary Education - Wikipedia**

Education for All (EFA) is an international initiative first launched in 1990 to bring the benefits of education to every citizen in every society. To realize this aim, a broad coalition of national governments, civil society groups, and development agencies such as UNESCO and the World Bank Group committed to achieving six specific education goals:
