"A purpose, an intention, a design strikes everywhere the most carefulness, the most stupid thinker, and no man can be so hardened in absurd systems, as at all times to reject it.

William Paley, "The Teleological Argument"

The classic statement of the teleological argument is that of William Paley in his *Natural Theology*. Paley likened the universe to a watch. Like a watch, he said, the universe consists of many complex parts functioning in harmony towards some useful end.
